

# LIFE-CHANGING LEADERSHIP HABITS

10 Proven Principles

That Will Elevate People, Profit, and Purpose

DR JEFF DOOLITTLE

*Proven principles and tools to lead in ways that life-changing habits emerge and bad habits disappear.*

## KEYNOTE OVERVIEW

This keynote is perfect for leaders:

- seeking ways to get more out of life and work.
- needing a practical plan to make transformational changes that deliver results.
- aspiring to maximize the impact of their careers.
- striving for better habits and a powerful point of differentiation.

The audience will leave with:

- proven tools busy leaders can successfully apply to get more out of life and work.
- ways to recognize the absence or presence of life-changing leadership habits.
- strategies to break accidental habits and overcome common challenges to lead with life-changing ones.

...and much more

## WHAT PEOPLE ARE SAYING

*“...engaging and thought-provoking... I still have leaders that talk about this today...and use what they learned”*

*Chief Nursing Officer*

*“Jeff makes everyone around him, including me, better at what they do*

*Chief Human Resource Officer*

*“...an absolutely phenomenal individual with great ideas, a work ethic that impresses everyone he interacts with, and a wealth of knowledge*

*Chief Learning Officer*
